## Welcome back to the Summer Term 2019

Our performing arts evening in April proved to be an extremely joyous and uplifting occasion! It was amazing to see so many talented children taking to the stage and performing with grace and confidence. Well done! The evening raised a fantastic £1,400 which we will be using to purchase brand new music equipment, including a set of electronic drum kits for our pupils to use! Many thanks for your continued support.

## Headteacher Award

Congratulations to the following children who have recently received a Headteachers Award for progress, improvement or academic excellence. These awards are made at the end of each half term and can be awarded for improvement in behaviour/attitude or for academic excellence.

## PE Kits

We are increasingly seeing children in the Office who do not have all or part of their PE Kit. Please may we remind you that full PE kits need to be kept in school Monday - Friday to enable children to participate in PE and Games, a mandatory part of the curriculum.

Please speak with your child and ensure they do have their full PE kit in school, including trainers and that it still fits! Thank you.

## School lunches

All school meals have been entered on our system and payment is now due. If your child is having school meals please make payment by Wednesday 1st May. Thank you!

## 2<sup>nd</sup> STEM Returners programme for returning Electrical Engineers with BT in Surrey

Have you taken a career break from an engineering or a technical sector and wish to return? Are you working below your experience in a different sector? Do you have an engineering or technical degree that you aren't using? Do you just wish to transfer sectors but don't have any experience? If so this could be the opportunity for you! After the unprecedented success of the first programme where 100% of returners were offered permanent roles, we are currently sourcing candidates for the 2<sup>nd</sup> BT 'STEM Returners' programme, a 13 week, fully paid and supported return to work programme starting in June 2019 in Surrey. All candidates will also have the opportunity to obtain a permanent role at the end of the programme. No career break is too long, register to return to STEM today! For more information please visit [www.stemreturners.com](http://www.stemreturners.com) or email [hello@stemreturners.com](mailto:hello@stemreturners.com).

More information on the programme is also available here: <https://www.stemreturners.com/2019/03/22/bt-engineering-services-running-second-electrical-engineering-returners-programme-overwhelming-success-first/>
