E-Safety Evening - Thursday 10th October 2019

Keeping our children safe using the internet both at home and at school is a priority for parents and educators alike. One major difficulty is keeping abreast of the rapid developments in technology and the consequent new threats posed to our children. We are therefore delighted to welcome Sharon Girling OBE to lead our E-Safety Day this **Thursday 10th October**.

Parents are invited to attend an evening session at 6.30pm in the school hall. If you have lost the original invitation letter which was sent to parents, please contact the school office and they will happily provide a replacement. Please remember to register your interest with the school office if you wish to attend.

Due to the content of the evening, children cannot attend.

Space Chase - Reading Challenge

A huge well done to all our pupils who completed the summer reading challenge at New Haw. The award ceremony will be held at New Haw Library on the **12th October at 11am**.

Harvest at New Haw

We are delighted to announce that this year we will be collecting harvest donations in aid of The Food Bank. Everything we collect will go directly towards helping people in crisis. Runnymede Foodbank only works with non-perishable food items which do not spoil or decay (see attached list). All items must be unopened, in - date and in good condition. Runnymede Foodbank also takes toiletries, cleaning & sanitary products as these are just as essential to the clients who visit. All harvest donations will be collected from New Haw Community School after lunch on **Thursday 24th October**. Please kindly leave all donations in Reception.

PTA cake sale

Our annual Bonfire themed cake sale will be held on **Wednesday 6th November** at break time. Please can years 5 and 6 provide the cakes and bring them in on the morning of the 6th November in labelled tins/boxes (for ease of return).

50p per cake with a maximum of 3 cakes per child.

Any surplus cakes will be sold after school on the same day.

***Strictly no nuts**

Thank you, PTA.

**** Please contact the PTA if you can volunteer to help from 10.20am to set up****

This week we were very disappointed to receive another complaint from a resident of The Avenue regarding parent parking. A parent decided to park across the resident's drive, leaving them unable to get their car out. This is completely unacceptable. We do have the registration number of the car concerned. We are appreciative of the vast majority of parents who are thoughtful and patient with regard to the challenging parking situation.

Class 4L does not yet have a Parent in Partnership (PiP) representative. Our PiPs have a vital role, as they provide a means of communication between our parents and school. The PiPs group meet regularly at the start of the school day with Mrs Cahill and the senior team to discuss aspects of school policy. If you could fill this position please let the school office know!
