School

Dear Parents,

This is the final letter in what has been overall, another happy and successful academic year. Although we faced the challenge of teaching online staff mustered their great professional commitment and their many skills and talents, to ensure that it was done very successfully. They have gone above and beyond so that our pupils have been given every opportunity to succeed. Consequently, despite the disruptions to education our pupils have made good progress. I would like to thank the staff for their tremendous work this year which has resulted in successful outcomes for pupils.

There have also been a number of Covid inspired 'silver linings', for example we had our final assembly outside on the field this morning and it was absolutely delightful! Why did we not think of sitting outside before? It was much more comfortable for pupils to sit on the field on a gorgeous, breezy sunny morning than to sit in a warmer, certainly less airy school hall.

At the end of the academic year we are always sad to say farewell to staff. Four members of the teaching staff are moving this year. Miss Kirsty Holehouse is leaving to take up a post of deputy head in a primary school, Miss Moss is returning to Wales, Miss Hester is going to work in the private sector and Mrs Kimber is leaving to work in a special school. We are also saying farewell to three Assistant Teachers who are much loved members of our team, Mrs Trotter is moving to the Isle of Wight and both Mrs Guthrie and Mrs Freshwater are retiring after many years of excellent service. It was a great pleasure to thank them all at our assembly this morning for their tremendous support of our school.

One of the reasons for our continuing success is the strong partnership we enjoy with parents. May I take this opportunity to thank you for your support during this most complex and challenging of years. I wish you all a happy, restful and enjoyable summer break.

We wish our Year 6 pupils every success and good fortune on their onward journeys.

Finally, I wish you all a happy, restful and enjoyable summer break.

Kind regards,

Marie Cahill

HAPPY
SUMMER
HOLIDAYS

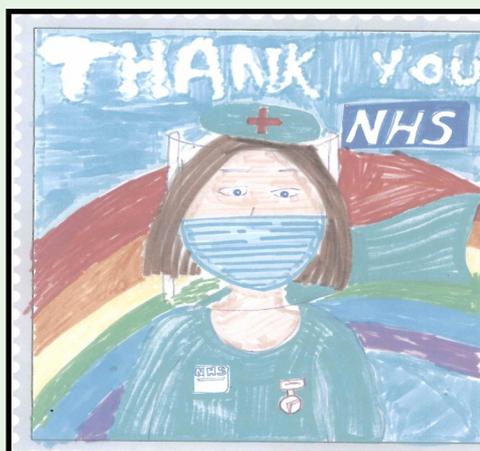

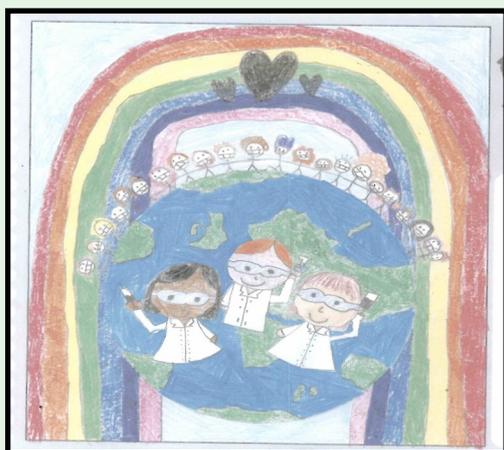

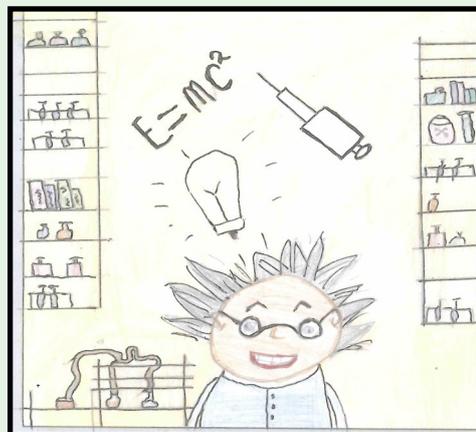

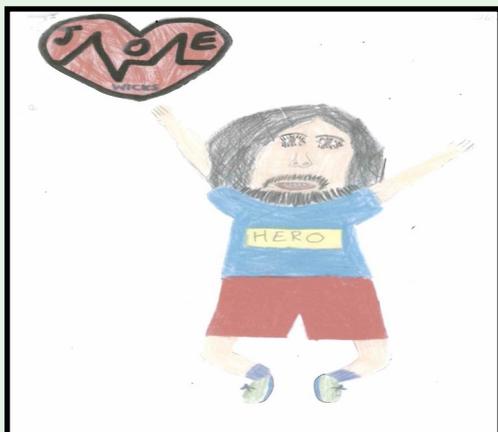

Heroes Stamp Design Competition

As you know earlier this year pupils entered a Royal mail competition to design a stamp reflecting the heroes of the pandemic. The quality of the entrants have been absolutely stunning and in recognition of this, we have chosen a winner from each year group (it was an almost impossible task!). Congratulations to the following children:

Year 3 - Chloe Filby-Wren
Year 4 - Oscar Noto

Year 5 - Bea Sanderson
Year 6 - Oliver Aylett

Headteacher Awards

Congratulations to the following children who have recently received a Headteacher Award for progress, improvement or academic excellence. These awards are made at the end of each half term and can be awarded for improvements in behaviour/ attitude or for academic excellence.

Congratulations also goes to all the children who were awarded a certificate for 100% attendance over this academic year.
