

Farewell to Mrs Jan Keating

Today, we said a sad farewell to our Deputy Head of School Mrs Jan Keating.

Jan is a highly valued and respected member of the New Haw team, who has given exceptional service for over 20 years. Initially as a focus teacher for maths. Following this she became our school SENCo (Special Educational Needs Co-ordinator). Since 2015 Jan has been Assistant Head, Deputy Head and more recently Acting Head of School.

To all these roles, Jan has brought her passion and commitment to providing the very best for New Haw pupils. She will be greatly missed by staff and students alike.

In saying farewell we thank her for all she has done for our school and wish her every happiness and success in the future.

Online safety

We were delighted that so many of you were able to join us yesterday for the online safety session for parents with Sharon Girling. As promised, Sharon has shared her slides from the session (these were emailed to you today). If you weren't able to join us, these slides contain information about how to set up parental controls on your devices as well as other top tips for helping your children to stay safe online.

The children really enjoyed their sessions with Sharon yesterday so please talk to them about what they discussed. This is a great way to start a conversation with your child about what they enjoy doing online.

Headteacher Awards

Congratulations to the following children who have recently received a Headteacher Award for progress, improvement or academic excellence. These awards are made at the end of each half term and can be awarded for improvements in behaviour/ attitude or for academic excellence.

Parking and road safety outside our school

We have noticed and have received many emails concerning the safety of the roads outside school at drop-off and pick up times. The safety of our children as they arrive and leave school is paramount; therefore, may I remind you that it is illegal to park on the yellow zigzag lines outside of the school gates. You must also not stop here to drop off children as this is not only dangerous but creates further traffic problems.

Please be considerate of our neighbours and do not obstruct their driveways.

One Way System Reminder

The agreed voluntary one way system for traffic coming into The Avenue to drop children at school is in operation every day. Parents are asked to enter via The Avenue and leave by turning right into Manor Drive. This traffic initiative is crucial to ensuring the safety of pupils at these key times in the school day. Please remember to turn right into Manor Drive and do not attempt to turn and drive back down The Avenue or turn in the private properties at the end. Thank you.

Year 3 Butser Farm Trip

Year 3 thoroughly enjoyed their first trip of the year to Butser Ancient Farm. Each and everyone one of them got stuck into the different activities which included: wattling, wall building using clunch, archeological digging and chalk carving. All the staff at Butser Farm commented on how well all the children behaved and their positive attitudes towards the different activities.
