

Welcome to our new PTA newsletter

You and every other parent, guardian and teacher at NHCS are automatically a member of the PTA. **It is your PTA.**

The officers have been voted in and we are excited to start planning events for the kids and fundraising to support our children's educational journey.

Want to Volunteer?

If you are interested in joining in the planning and decision making of the PTA, please contact Debby Morris at ptachairNHCS@gmail.com to discuss the roles we have available. We guarantee there will be no pressure to sign up!

Not sure how much time you can volunteer or want to keep it flexible, join our Events Team and/or Fundraising Teams. By joining these groups **you choose how much or little time you can donate.** The fundraising team will be organizing projects like the Christmas Cards and Grand Prize Draw, you can work independently and on your own time schedule. The Events Team plan and volunteer at events. Please contact Debby Morris to join the WhatsApp Groups to keep up to date.

Want to have input in the PTA now, please fill out our questionnaire: <https://forms.gle/EmlrLn5qiFYCvL7s6>, open until Tuesday.

Let's start creating memories for our kids and make up for all they have missed over the past 2 years due to covid.

We hope you will join us,
Debby, Lucy, Sarah and the PTA Volunteers

NEW BEGINNINGS

Spring is a time of renewal and regeneration.

As we come out of covid hibernations, now is the perfect time to reconnect and rebuild communities.

SUPPORT THE SCHOOL

Raise funds to enrich your child's learning, and make every student's experience better.

FRIENDSHIP & NETWORKS

Spend time with friends and make new ones. Reach out to local business and connect with your community. Find a place to belong and spend time with others who share your desire to enrich their child's education.

Join the PTA Events Team and or Fundraising WhatsApp Groups

To find out more, take on a role, or volunteer when you get a spare hour, text your name to 07742183867.

CREATE MEMORIES

Help plan and decide which events would most enrich the kids' school experience. They are only at NHCS for a few years before its off to secondary school with exams and minimal parent involvement. What memories would you like to help create?

TIME FLEXIBLE

No matter your time commitments, there are many different ways to get involved. The majority of those who have already stepped up work full time. We will list the ways to volunteer and you can choose to sign up for as little or as much as you want. Mums, dads, grand parents and guardians are all welcome.

GOOD FOR YOU

Giving back, being a role model, having fun, trying new skills or sharing your expertise, are all great ways to improve your own well-being.
