### Eikon parent workshop

Last Thursday we held an online workshop for parents entitled 'Supporting your child's mental health and well-being'. The workshop was run by staff from Eikon. Eikon is a Surrey based charity whose vision is to develop happy, thriving and resilient young adults who make a positive contribution to society.

This workshop was extremely well received by those who were able to attend in person and we are really pleased to now be able to share the recording for those who weren't able to attend.

I would encourage all parents to watch the recording as there is some really useful information about how you can support your child at home.

We will be sending the recording and supporting documents via email as soon as we receive them.

### Star Voices

A huge well done to all the children in Star Voices who participated in the Young Voices concert at the O2 on Monday! The children had worked incredibly hard in preparation for the concert and they did an amazing job. The concert was a truly exhilarating experience, full of energy and fun! A fantastic highlight of the year!
