Christine Parker - celebrating 25 years at New Haw

We were delighted this week to celebrate an important milestone for one member of staff. Christine Parker celebrated 25 years at New Haw. She is a much loved member of the team who has held a number of different roles over the years.

Thank you for all your hard work!

Anti Bullying Week Odd Sock Day - Monday 14th November

The 14th of November marks the start of anti-bullying week.

The children will start the week off by wearing odd socks; a great way to celebrate us all being unique! The week's theme is, 'Reach Out' and over the course of the week, the children will look at the roles involved in bullying and unpick different scenarios by focussing on these roles. We want children to reach out and help us put a stop to bullying!

School Talk - Wednesday 16th November 12.00 pm

We will be holding our next online School Talk session on Wednesday 16th November. This session will focus on Bullying. We will be discussing how we define bullying and outlining how incidents of bullying are dealt with.

If there is anything additional you would like us to cover at this session or if you have any questions, please do let us know via email: office@new-haw.surrey.sch.uk. Zoom link details below:

Topic: School Talk - Bullying

Time: Nov 16, 2022 12:00 PM London

A letter from our School Council - Children in Need - Friday 18th November 2022

Interesting facts about Children in Need

BBC Children in Need believes that every child should have the chance to thrive and achieve the best that they can. The Children in Need project funds thousands of charities in every corner of the UK. These charities support children and young people to feel and be safer, have improved mental health and wellbeing, form better and more positive relationships and be given more equal opportunities. Since 1980, it has raised over £1.5billion for disadvantaged children and young people in the UK.

This year, our school council has chosen to support BBC Children in Need because they have helped many children and families all over the world. Children in Need has inspired us because they help children that are struggling or have disabilities.

We need your help and support! Please join us in raising awareness for Children in Need by wearing your school uniform and any Pudsey Bear accessories on Friday 18th November. Children can choose to wear Children in Need accessories eg Pudsey ears, head boppers etc with their school uniform.

To help this cause, please kindly make a donation if you can via SCOPAY under 'Children in Need 2022'. We look forward to supporting this cause.

From, Maria Pojoranu, Bradley Baker and Evie Kitchener
School Council and Vice Chairs

Year 5 Living Rainforest

Year 5 went on a school trip to the living rainforest and saw so many tropical plants and interesting animals. There was even an epic playground.

As we entered, we had a blast of humid air and we met Rio, the iguana who was sat in his enclosure, eating his breakfast!

Our next encounter was a mother bird and her baby who were turicos and had magnificent feathers and a green body that was made green by the copper in the fruit it eats!

When we walked on, we had to pass by a large black bird called Luigi. We could tell by his hair how he was feeling. If his hair was up, he was sacred and if it was down, he was happy and calm. His hair was up when we crept passed him.

Up the ramp, we entered the canopy, where we felt a noticeable change in temperature. Here we saw a caiman which is part of the crocodile family. We discovered that he was an ambush predator. This meant he stays very still and waits until his prey comes near him. He looked like a plank of wood in the water.

Some of the children were lucky enough to catch sight of the lazy sloth, sleeping in the canopy.

The bird eating tarantula called Tiny was pretty terrifying for some, with its ability to shed its hairs to irritate its predator. If one got in your eye, it would make you blind for up to two days.

As our tour came to an end, we made sure to wash our hands and say thank you to the tour guide. We all had a great time.

By Marlee and Ruby, year 5

Book Fair

Thank you to everyone who has purchased books from the fair. It has been wonderful to see the children so enthused by reading! For every book bought, the school receives book tokens. Thanks to you, we now have over £1300 to spend on new books!

Thank you to everyone who donated to Runnymede Food Bank this harvest.

School diary

Monday 14th November	Children to wear odd socks to raise awareness for Anti Bullying Week. 
Wednesday 16th November	School Talk - 12 noon via Zoom
Thursday 17th November	6L class assembly
