Dear Parents,

SATs Results 2023

I am delighted to share our exceptionally good SATs results this year. It was a great pleasure to witness the joy and satisfaction on the faces of pupils yesterday as they were given their individual scores.

We are particularly thrilled that this cohort of year 6 pupils, whose education was seriously disrupted in Years 3 and 4 by Covid, have managed to catch up so successfully. Indeed, in all aspects of the tests, they have greatly exceeded the results nationally which were reported yesterday.

I would like to thank our excellent staff teams, in all year groups whose collective hard work and dedication have achieved these wonderful outcomes. Thanks also to our very supportive parental community, not only for the work you do with your child but also for your overall commitment and support for the work of the school.

Congratulations also to our hard working students who have done so well. They deserve to be very pleased with themselves!
