

Inviting another parent/guardian to join your appointments

You can give one other parent/guardian access to join your video appointments in respect of each student linked to you that is involved in the conference. You can grant this access at the time of booking, or later if required.

1. Once you have made your bookings (or when you later log in and go to *My Bookings*) click on the *Invite Parent/Guardian* link at the top of the list of your bookings. If you have already sent an invitation this link will show as *Manage Invites* instead.

You **must** enter a *Name*, and an *Email address*, as well as tick the box to consent to that person being given access to the information used to make the appointments.

If there is more than one student linked to you, choose the student(s) in respect of whose appointments the access to this person will be granted.

When you click the blue *Send Invite* button an email is sent to the address entered, giving them a link and details on how to join the call.

Here is an example of what the invite email looks like:

The screenshot shows an email invitation for a video call. It features a green header with the title 'Video Call Invitation'. Below the header, the text reads: 'Primary School Parents' Evening', 'You have been invited by Rachael Abbot to appointments which take place by video call.', and 'Click the button below to join the video call on the day, or to test your camera/microphone at any time:'. A blue button labeled 'Join Video Call' is centered. Below the button, it says 'Or paste this link into your browser:' followed by a URL: <https://greenabbey.schoolcloud.co.uk/guests/video/39372?guestToken=26fac3787e3d4a829e54045e4fc14e53>. Finally, it states 'The appointments are as follows:' and presents a table with two rows of appointment details.

Date	Time	Student	Teacher	Department
Monday, 21st December	16:10	Ben Abbot	Mr J Sinclair	English
Monday, 21st December	16:20	Andrew Abbot	Mr J Sinclair	English

3. You will then see a *Manage invites* box that shows your sent invitation(s), allows you to add another invite if you have any more available (the person invited can be different for each student, if wished), and allows you to *Resend* invites or *Remove* them.
