Osmington Bay Visit Monday 20th May – Friday 24th May 2024

Medical & Dietary information form

Dear Parents/Guardians,

We are getting ever so close to our year 6 children departing to the PGL center in Osmington Bay. To comply with PGL requirements regarding pupil information, please complete the survey (see link below). The information required includes emergency contact details that can be used when your child is at Osmington Bay. In addition, information regarding medical conditions, permission to administer certain medicines, dietary requirements and your child's swimming ability is requested. **You will also be required to know the date of your child's Tetanus Booster, this can be obtained from your child's Red Record Book or by contacting your child's GP.**

Please click on the link below to complete the survey:

<https://forms.gle/jaqDKW2aNDXtCeAR6>

We would like to ask you to complete the survey promptly by Friday 22th March 2024 as all of the information on the survey is requested by PGL for their records and we must submit it to them before Easter Holidays.

Attached you will also find the Insurance documents and for your convenience I am also including again the FAQ and a list of recommended clothes and equipment for the trip. Please remember, clothes will get dirty, so if you can send your child with old, inexpensive or non precious items, that would be preferable.

Should you have any queries or further questions please do not hesitate to contact me.

Yours sincerely,

K. Shadbolt
