We have visited The Thames Explorer Trust before and believe that this visit represents value for money and provides a unique learning experience for your children. As the resources of the school are limited, the proposed visit will not take place if there are insufficient contributions to cover the cost of the visit. No student will be penalized due to inability to pay and, should this difficulty arise, please do not hesitate to contact Mrs Shadbolt to discuss this further.

All payments for this trip must be made via Scopay by Tuesday 28th May 2024

Due to the nature of this trip as a general precaution if your child shows signs of any of the following within 3 weeks of them going please mention it to your Dr. - High temperature, headache, nausea, achy muscles, red eyes, sickness, diarrhoea or loss of appetite.

Please ensure that if your child requires any medication (ie asthma inhaler etc) that they have it with them on the day of the trip, otherwise it may not be possible for your child to take part on the day.
