Year 3 Coffee Afternoon

It was great to welcome some of our Year 3 parents this afternoon and to give them another opportunity to have an informal meeting with their child's class teacher. It has been lovely to see the Year 3s settling in and we look forward to our Year 3 Parents' evenings which take place on Tuesday 23rd and Thursday 25th September. More information will be sent to you about this and how to book on Monday 15th September.

Stationery & Planner Payments

We hope your children are enjoying their new stationery and planners! Thank you to all parents who have already made their purchases – your prompt payments are much appreciated.

However, many payments are still outstanding. If you have not yet done so, please make payment as soon as possible via the Arbor app by visiting the School Shop section.

Thank you for your continued support in ensuring every child has the resources they need for a successful term.

Respect Rangers

Last year, we introduced our first Respect Rangers, a programme aimed at fostering a culture of kindness, responsibility, and mutual respect across our school.

Our Respect Rangers are a team of selected student ambassadors who lead by example, promoting positive behaviour and helping to ensure that everyone feels valued and included. Their role includes encouraging respectful interactions and supporting their peers to do this too by being fantastic role models. Respect Rangers will receive a certificate and wear a special badge for the week.

In our weekly assemblies, a new theme of how we show respect will be explored. We have kick-started the year with the children focusing on 'respecting our new pencil cases' and we've seen such a positive response from the children already. All staff can nominate respectful behaviour to the class teacher for selection of new Respect Rangers. We will regularly update you with progress and proudly announce who our Respect Rangers are!

Pencil Cases Feedback from the children

The children have been enjoying their new pencil cases this term - and teachers have loved them too. See below for some of their reflections.

"I really like them because we don't have to borrow each other's stationery." Coral, Year 5.

"Everyone is looking after their own pencil cases really well and I'm pleased to have pencil cases rather than pots because the table is tidier." Violet, year 5.
