### **Respect Rangers of the Week**

This week's Respect Ranger nominations celebrate the fantastic care everyone has shown for their pencil cases and stationery. Students have been taking pride in looking after their school work tools, making sure they are used responsibly and kept in good condition. Learning to care for our belongings helps them last longer and shows responsibility and respect—well done to everyone for setting such a positive example!

## School Fun

This week, school was filled with **beats, bangs, and big smiles** as all year groups took part in a high-energy drumming workshop with Jim Bernadin! The children were wowed by the amazing Caribbean instruments, many of which had been lovingly made at home with incredible detail. From the photos, you can see how everyone worked together to explore rhythm, tempo, and exciting new sounds, building up to a joyful final performance featuring steel drums and traditional Caribbean instruments. It was loud, lively, and lots of fun!

A big thank you to parents for your contribution payments, which helped bring this fantastic musical experience to life.
