Year Group Coffee Mornings

We were delighted with the success of our Year Group Coffee Mornings this week. It was wonderful to see so many parents join us face to face and enjoy the opportunity to chat together over a cup of tea or coffee.

We understand that not all parents are able to attend due to other commitments, and we appreciate this. To ensure everyone has access to the information shared, the overview presentation slides will be made available on our website shortly.

Unfortunately, we are currently experiencing some technical difficulties with the website. Once the website is fully operational, all year group information can be accessed by visiting **Curriculum → Year Group Overviews**.

Thank you for your patience and continued support.

Year 3 Parents' Evening Appointments Reminder

A reminder to all Year 3 parents and carers to book your School Cloud face-to-face teacher appointment by **Sunday 20th September**.

Appointments will take place **in school next week**. Please refer to the email sent out previously for full details and booking instructions.

Partnership for Inclusion of Neurodiversity in Schools

I am delighted to share that our school is taking part in PINS (Partnership for Inclusion of Neurodiversity in Schools) this year. This exciting project aims to support schools in developing inclusive practices and ensuring that all children can thrive.

As part of the project, we are inviting parents and carers to complete a short survey. Your thoughts and feedback are incredibly valuable and will help us shape and improve our provision for all pupils.

Please complete the survey by **25th September**. We would greatly appreciate your input and thank you in advance for taking the time to share your views.

Playground Equipment Safety Reminder from The Grange

For parents and carers who also have children attending **The Grange**, please can we ask that children do not use or climb on the playground equipment before or after school.

The equipment is only supervised and available for use during school hours to help keep everyone safe.

Thank you for your support and cooperation.

School Value of the Week

What Great Looks Like at New Haw...One Voice

This week, as part of our new school values and learning behaviours, we have been talking to the children about the power of **One Voice**.

One Voice is about showing respect for others by giving everyone the opportunity to speak and share their ideas. It also reminds us of the importance of listening carefully to others, valuing different viewpoints, and learning from one another.

We are encouraging all children to take responsibility and use One Voice throughout the school day by taking turns, listening attentively, and communicating kindly and respectfully. These small actions help to create a positive learning environment where everyone feels heard, valued, and included.

Online Safety Corner

How good are you and your children at spotting misinformation?

Internet Matters' free **Find the Fake** activity is designed for families to try together. It's a simple way to start conversations about whether something online can be trusted and what children can do before believing or sharing it.

Why not try it together and see who gets the highest score?

Harvest Collection Reminder

As part of our Harvest celebrations this year, we will be collecting donations to support our local community.

Thank you for your generosity and support. Every donation will make a difference to families in our local community.
