## Safety in the School Grounds

I am becoming increasingly worried about the safety of adults and children who stand in the car park waiting for pupils to leave our building at 3.10pm.

There are two designated waiting areas for parents, they are behind the red railings on the New Haw side or in The Grange playground.

Please do not stand on the grass turning circle or in the main car park area, as you will be blocking the only vehicle access to the school. This area must remain clear to allow safe access of vehicles to and from the buildings. The car park is the only emergency route for both schools.

Please keep the car park clear.

## School Council

Elections were held at the start of term to elect two School Councillors to represent their class. They meet with Mrs Moore to discuss issues affecting school life.

Last week the Year 6 school council members gave excellent speeches in assembly saying why they should be elected as either Chairperson or Secretary. After a week of voting, the votes have now been counted, Chris Brittain and Olivia Cassar have been elected Chairperson and Secretary respectively. I am sure they will do an excellent job!

### PiPs (Parent in Partnership)

Please find below a list of our class representatives for this year. Our PiPs have a vital role, as they provide a means of communication between our parents and school. The PiPs group meet half-termly with Mrs Cahill and the senior team to discuss aspects of school policy. Please do contact your representative if there is anything you wish to raise.
