

Max Card. A Discount Initiative for Foster Families and Families of Children with Additional Needs.

The term 'looked-after' refers to a child placed in public care of a Local Authority in accordance with section 22 of the Children Act 1989.

What is Max Card?

Max Card provides the families and carers of looked-after children and children with additional needs with discounted access into some of the most exciting attractions across the UK. **Over 46,000 families already benefit from the scheme**, using their Max Cards at top attractions across the country. Partners include Legoland, Go Ape, Tenpin Bowling, Skiplex, Namco Funscape and many more. Max Card helps carers and families save money on great days out at venues such as theme parks, ski centers, museums, galleries, castles, zoos and many more.

Visit our website at www.mymaxcard.co.uk to browse **over 1000 places you can visit with your Max Card.**

How does it work?

Visit our website and click on the venue you'd like to visit. The discount will be outlined on the attraction's individual Max Card web page. Simply show your card upon arrival in order to obtain the discount outlined. Most discounts are inclusive of two adults and two children, unless otherwise stated.

Where can I find an up to date list of attractions?

The Max Card scheme is constantly expanding as we want to reach as many families as possible with our initiative.

You can keep checking our website for new venues which are added daily. For a live feed of new supporting partners, please like our Facebook page www.facebook.com/mymaxcard and Twitter page www.twitter.com/mymaxcard.

Who can travel with my child?

As long as the child whom the card has been administered for is present on all days out, there are no restrictions on the additional adults and child are. You may wish to invite friends, social workers or family members along – we want to provide a sense of independence through enabling the child experience new days out with whoever they wish to.
