

Golden Boot Challenge

Last week, from 6th - 10th June, our school took part in the Golden Boot Challenge where children were encouraged to travel to school in an eco-friendly manner, such as by walking, cycling or sharing a car. The modes of transport for the children were recorded each day and a 'green score' was calculated for their class, according to how environmentally conscious their mode of transport was. This was then compared to their baseline score on the data collection day prior to half term.

There were two classes with a winning score of **100%** during the week itself; 6D and 6W! Well done to those classes who were clearly choosing very carefully how to travel. They have received the Golden Boot trophy plus badges to celebrate their win. Runners up included 4P and 5H with a score of 96% and 3K with 93%. A special mention also goes to 3H, who were the class with the most improved green score. Congratulations!

Please keep up the good work everyone and continue to choose eco-friendly ways to travel!

Sports Week

27th June—1st July

We will be celebrating sports week which involves many exciting activities. We will be having some golf lessons from Hoebridge Golf Centre, some staff versus pupil matches as well as an exciting end of week celebration at Sports Day. We would like to invite all parents and carers to join in with our celebrations on sports Day and to come and cheer us on. Times to be confirmed.
